Protected Landscape Area - Lužické hory, Lausitzer Berge (Lusatian Mountains)

<https://mapy.cz/zakladni?x=14.2772207&y=50.8328973&z=11&source=area&id=26566>

Take-offs and landings are prohibited in national parks. Prohibition of entry of cars off the road. In the PLA, there is limited access to natural sites. In addition to applicable legal obligations, crews must comply with the following rules:

- for flights in weaker wind equipment at min. 3 hours flight. It is not a condition for participation in the fiesta. We will provide alternative launch locations for balloons without this equipment.
- for flights across the border, insurance for both Czech Republic and Germany
- strict adherence to minimum flight heights and selection of suitable landing sites (NO LANDING applies in national parks)

You will receive detailed information about the flight area from the flight director at the initial briefing. Those who do not arrive at the initial briefing will not be allowed to the flight fiesta. Flying in this area is beautiful, but also challenging. Please adapt both equipment and crews accordingly.

GAS:

Filling will always be done after the flight at the starting field. A deposit for gas in the amount of 7,000 czk or 270 EUR is due at the initial briefing at the latest. At the end of the event, we bill the actual consumption.

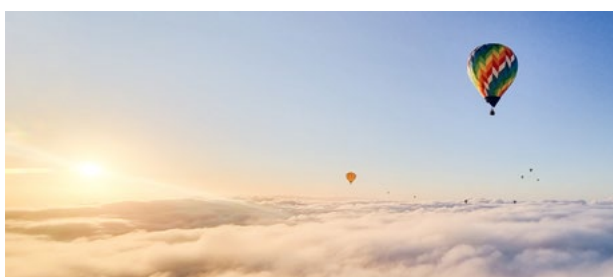

VOLUNTARY CONTRIBUTION TO THE ORGANIZERS
